Pledge

I pledge my loyalty to the flag of Tavares High School and to the democratic ideals for which it stands. I will constantly strive to promote good scholarship, leadership, citizenship, and a genuine respect and understanding for all.

Alma Mater

In the heart of old Lake County,
Proudly lies our land.
For our school, Tavares Bulldogs,
We will ever stand.
For our dear old Alma Mater,
We will sing our praise.
We will fight for greater glory
For her future days.

In Appreciation from the Class of "1968"

As one walks down the halls of T. H. S. one will find an open door . . . an open heart . . . an open mind . . . but more important to most of us an open ear. One person, who in our minds is immortal, would listen to us gripe, discuss our love-lives; our heartbreaks. This true humanitarian would share our joys and sorrows. Even when she was not our sponsor, she was a personal guidance counselor to many . . . A person of seemingly endless energy . . . more than a teacher . . . truer than any friend . . . to many of us a third parent . . . We could talk with her about things we would hesitate to discuss with our parents. Understanding? Very! She did not think of teaching as a mass production of students, but instead she taught us and treated us as individuals. Anyone who does not have her as a teacher is missing one of the greatest experiences that he will ever have in his life.

****

We can never repay you for the long, hard hours that you have worked with us on our prom, floats, and innumerable other projects when you could have been doing something for your personal benefit. But as a small token of our appreciation, the Class of 1968 dedicates, as you have dedicated your life to teaching, the twenty-first volume of Bulldog Tracks to Mrs. Sue Crumpton.

In Admiration for . . .

It is an honor to pay tribute to one who has become such a genuine part of Tavares High School. Her interest in her students and her eagerness to help them have earned her the respect of all who have come under her influence.

In the light of all that she has done for our school, and more important those who have passed thru it, we can be sure that she has well earned a rest.

For the knowledge, inspiration, and dedication you have given us, we wish to present Mrs. Hudson with an engraved plaque and silver bowl on behalf of all the yearbook staffs and senior classes you have sponsored. These gifts are only the tangible embodying the intangilbe --our sincere admiration.

... THE FRESHMAN CLASS HAS COME A LONG WAY

This year the freshman class has come a long way. We have learned to work together and have accomplished much. We have discovered that each of us is talented in one area or another, and we have learned how to use each individual's talent to the utmost. We are really looking forward to our remaining years at THS.

Although the sophomore class is a large class, it works well together. Unusually capable leadership has been the driving force throughout the year, and was evidenced by a beautiful float at Homecoming, class-wide involvement in a Halloween booth, and many other successful projects.

Knowledge Comes, But Wisdom Lingers

We started our Senior year with 53 seniors, three of whom were new students. Our first activity as a class was our trip to the Citizens National Bank of Leesburg, October 3. It was very interesting to really see how a bank operates. Our project at the Halloween Carnival was making Cotton Candy, which was interesting, since none of us had ever done it before. It also got us a little profit. With November came football and, of course, Homecoming. Our float, "Strike 'Em Dead", didn't win any prizes, but we had lot of fun working on it. We were all very proud of our queen, Miss Sue Smith. In December, the actors and actresses of the class were hard at work on their latest production, "Web of Murder," which was a complete success. A group of us were fortunate enough to attend the Asolo Theatre's presentation of "Henry IV-Part I" at Rollins College. It was most informative. On our Senior Educational Trip, April 1, we had a great time at Marineland and St. Augustine, where we rode the little tour train. Then came Class Night, Baccalaureate, and most important, Graduation on May 31. That was the close of a memorable beginning of our lives.

ACTIVITIES

Homecoming

QUEEN'S COURT: Nancy Ringsmith, Ann Kelly, Queen Sue Smith, Student Body President Steve Sperry, Donna Carbagh, Pam Rich, Jean Hanson, Diane Aylor.

The Homecoming week started October 30, with Dress-Up Day. At the assembly that afternoon prizes were awarded and the Homecoming Court was presented to the student body. Tuesday was "Show Your School Colors Day." Wednesday THS students demonstrated their creative talents by making badges in keeping with Badge Day. At the Pep Rally Thursday night, prizes were awarded for badges, doors, slaves, and float entries from the Parade that afternoon.

Friday, November 3, school spirit was at a peak, and it was difficult to observe Hush Day. The coaches and football players were served a cake baked especially for them by the lunchroom staff. The big game started at 8:00 p.m. The Marching Readcoats put on a great half-time show, and then came the highlight of the evening - Coronation of Homecoming Queen Sue Smith. The festivities were concluded with the Homecoming Dance featuring the Kolor Korp.

The Bulldogs Never Quit

Our football team was ably lead and coached by Head Coach Barry Northcutt and Assistant Coach Don Clark. Although the team didn't compile a winning season, we are just as proud as if they had had a 10-0 record.

The team never gave up and we were never disappointed. Every Friday night, they gave us all they had and more. We can't ask for anything else. Nearly all the team will be back next year and we are anticipating great things.

All Conference

The Bulldog cagers were under the capable guidance of Coach Tom Morgan. This year was a building season for the team, as we lost 5 senior lettermen last year, and only one starter returned. But the Bulldogs pulled together and gave us many exciting games. They never quit hustling and always kept coming back for more. By the end of the season, the Bulldogs had earned the respect of all opponent coaches and teams. Our whole starting team will be back next year, so look out Mid-Lakes Conference!

The Redcoats are . . .

The Tavares Marching Readcoats have accomplished much in the past years. They have built a reputation as being one of the best C bands throughout the state. We are proud of this organization because in the last two years, they have earned superior ratings at District Contest enabling them to go to State Contest and compete with the top bands. In all kinds of weather, they represent our school in many of the local parades, and football games. We would like to express our appreciation to all the band members and to the hard working band boosters. We would expecially like to thank Mr. Dobson for his many years of devoted leadership.

Student Government

The Student Government was under the sponsorship of Mrs. Crumpton, Mr. Brubaker, and Mr. Winn. It was greatly enlarged this year due to increased participation of clubs and all classes. Some of its many projects were: An orientation program for newcomers, a magazine drive which earned $500 toward the air-conditioning fund, the organization of the Pep Club, Homecoming activities, a Christmas assembly, the complete revision of the constitution and handbook, a Spring Formal dance, and a $50 contribution toward a Peace Corps School.

The FFA for 1967-68 has been highly successful. To begin with, the FFA sponsored a series of three fried chicken suppers during football season. The hard work that went into preparing these suppers was repaid generously. After the first semester, Jim Schonauer, the new president, took office and planned the Faculty VS FFA Basketball Game. The student body, faculty, and most of all the FFA enjoyed the game.
